

CASE NAME: WEDDING
ATTENDING OFFICER(S): ANDY RICH
SEATTLE POLICE DEPARTMENT
CRIME LOCATION: GOLDEN GARDENS

The night before their wedding (January 1, 2010), Alex wanted to give his wife something special – something she would always remember. Unfortunately, the something was stolen and it’s up to you to find it. He wrote out a list of her favorite somethings, and categorized them very carefully. He didn’t want her to find his notes, so he hid them in the grid below, and then promptly forgot them. The only things he knew for sure were that she only liked somethings six letters or longer, and that she liked somethings in these categories:

- Something to read
- Something that moves
- Something animated
- Something to surf
- Something to play
- Something to listen to
