COLORADO

Secret Missions	Main Letter Stream		Red		Yellow		Green		Blue		Black
		Starting configuration:	Washington DC		Los Angeles		Chicago		Seattle		Boston
		1 If there is a gray route out of your city, take it. If there is more than one, follow whichever gray route takes you to the adjacent city with the most letters.	Pittsburgh		Las Vegas		Chicago		Vancouver		Montreal
		2 If you didn't move in step 1, take the green route out of your city.	Pittsburgh		Las Vegas		Saint Louis		Vancouver		Montreal

		3	Pick up a color card corresponding to the longest current route out of your city. If it is not clear what color is longest, pick up the duck. If you already have the duck, keep it.	Pittsburgh	green	Las Vegas	orange	Saint Louis	green	Vancouver	duck	Montreal	black
	C	4	Write down the 4th letter of the city that the player holding the duck is in.		green		orange		green		duck		black
		5	If you are holding your own train's color card, skip step 6.	Pittsburgh	green	Las Vegas	orange	Saint Louis	green	Vancouver	duck	Montreal	black
		6	Take the 3-length track out of your current city. If there is no 3-track, stay in your current city.	Chicago	green	Salt Lake	orange	Saint Louis	green	Calgary	duck	Montreal	black
		7	The player with the duck should now stand up and switch seats with the	Chicago	green		duck	Saint Louis	green		orange	Montreal	black

		player sitting two to their right. Both players should keep their items.											
	IT	8	Write down the 3rd and 5th letters of the city the green player is in.	Chicago	green	Calgary	duck	Saint Louis	green	Salt Lake	orange	Montreal	black
		9	If two players are now in the same city, and are NOT in Canada, switch seats and items with each other. If three players are in the same city, exchange items by passing to the right within the three of you, but do not switch seats.	Chicago	green	Calgary	duck	Saint Louis	green	Salt Lake	orange	Montreal	black
		10	If the city the player to your left is in has more A's than the city you are in now, trade items with them.	Chicago	duck	Calgary	green	Saint Louis	orange	Salt Lake	green	Montreal	black

		11	Repeat Step 3.	Chicago	duck	Calgary	white, green	Saint Louis	orange, green	Salt Lake	green, blue	Montreal	black, black
	Y	12	Write down the last letter of the city that the player sitting to the left of the player holding the duck is in.		duck		white, green		orange, green		green, blue		black, black
		13	Move to the adjacent city that is first alphabetically, unless you are in Canada, in which case move to the adjacent city that is LAST alphabetically.	Duluth	duck	Winnipeg	white, green	Chicago	orange, green	Denver	green, blue	Toronto	black, black
		14	If another player is in a city starting with the same letter as yours, switch seats and items with them.	Denver	duck	Winnipeg	white, green	Chicago	orange, green	Duluth	green, blue	Toronto	black, black
	D	15	If players switched seats in step 14, write down the letter that the cities start with.		duck		white, green		orange, green		green, blue		black, black

		16	If you have one or more cards corresponding to the color of a player sitting next to you, discard those cards.	Denver	duck	Winnipeg	white	Chicago	orange, green	Duluth	blue	Toronto	black, black
		17	Take your own color track out of the city you are currently in. If you can't, trade items with the person who has the duck.	Salt Lake	black, black	Helena	white	Saint Louis	orange, green	Chicago	blue	Toronto	duck
T		18	Whichever player can take the longest path from their current city, going through only cities with two-word names, without visiting any city more than once along the way, do so.	New Orleans	black, black	Helena	white	Saint Louis	orange, green	Chicago	blue	Toronto	duck

		19	How many colors are leading out of the city you are in (remember, gray is NOT a color)? The player with the fewest should take the longest path out of the the city they are in.	New Orleans	black, black	Helena	white	Saint Louis	orange, green	Chicago	blue	Duluth	duck
	U	20	If somebody moved in Step 19, write down the Nth letter of their new city, where N is the number of colors that were leading out of their old city.	New Orleans	black, black	Helena	white	Saint Louis	orange, green	Chicago	blue	Duluth	duck
A	C	21	If you are holding a color card of your own color, and there is a green-and-white track out of your city, take it. Write down the first letter of the city you	New Orleans	black, black	Helena	white	Chicago	orange, green	Chicago	blue	Duluth	duck

			arrive in.										
		22	Repeat Step 9.	New Orleans	black, black	Helena	white	Chicago	orange, green	Chicago	blue	Duluth	duck
		23	Go to the adjacent city with the shortest name.	Miami	black, black	Omaha	white	Omaha	orange, green	Omaha	blue	Omaha	duck
		24	If you are not in a city with another player, skip step 25.	Miami	black, black	Omaha	white	Omaha	orange, green	Omaha	blue	Omaha	duck
		25	Take the shortest track out of your current city.	Miami	black, black	Kansas City	white	Kansas City	orange, green	Kansas City	blue	Kansas City	duck
	K	26	Write down the first letter of the city that the duck is in right now.	Miami	black, black	Kansas City	white	Kansas City	orange, green	Kansas City	blue	Kansas City	duck
	W	27	Players who skipped step 25 should take the longest track out of their current city. Write down the third letter of their	New Orleans	black, black	Kansas City	white	Kansas City	orange, green	Kansas City	blue	Kansas City	duck

			new city.										
		28	If you have a card corresponding to a track out of your city (single or double doesn't matter), take that track and discard the card.	New Orleans	black, black	Kansas City	white	Denver	green	Saint Louis	nothing	Kansas City	duck
		29	Players on the west coast should take a pink card. Players in Las Vegas should take a wild card.	New Orleans	black, black	Kansas City	white	Denver	green	Saint Louis	nothing	Kansas City	duck
T		30	If you are in the same city as another player, trade items with them, and then take your own color track out of the city. If you can't take your own color track,	New Orleans	black, black	Saint Louis	duck	Denver	green	Saint Louis	nothing	Denver	white

			take the longest track out of the city.										
E		31	Repeat Step 9.	New Orleans	black, black	Saint Louis	duck	Denver	green	Saint Louis	nothing	Denver	white
		32	Take your own color track out of the city you are currently in -- but only if it is on a double color track. If you ARE able to take a track out, take a card corresponding to the other color on that track.	Atlanta	orange, black, black	Chicago	duck, white	Kansas City	green, orange	Kansas City	pink	Salt Lake City	yellow, white
A		33	Find the letter that occurs the most times in your city's name. How many times is it there? Whoever's answer is the highest, write down that	Atlanta	orange, black, black	Chicago	duck, white	Kansas City	green, orange	Kansas City	pink	Salt Lake City	yellow, white

			letter.										
	S	34	Write down the first letter of the westernmost player's city.	Atlanta	orange, black, black	Chicago	duck, white	Kansas City	green, orange	Kansas City	pink	Salt Lake City	yellow, white
		35	How did you get into your current city? Leave your current city via the track that is closest to heading out 180 degrees from the track you came in on. (It should be obvious which track this is. If it is not, get a straightedge and another cup of coffee.)	Raleigh	orange, black, black	Toronto	duck, white	Saint Louis	green, orange	Denver	pink	San Francisco	yellow, white
		36	If there are no players in Canada, every player should take a wild card. Players in Canada should take a red card.	Raleigh	orange, black, black	Toronto	duck, white, red	Saint Louis	green, orange	Denver	pink	San Francisco	yellow, white

	IN	37	Write down the 5th letter of the easternmost player's and the northernmost player's cities.	Raleigh	orange, black, black	Toronto	duck, white, red	Saint Louis	green, orange	Denver	pink	San Francisco	yellow, white
		38	Repeat step 14.	Raleigh	orange, black, black	Toronto	duck, white, red	San Francisco	green, orange	Denver	pink	Saint Louis	yellow, white
S		39	Repeat step 29.	Raleigh	orange, black, black	Toronto	duck, white, red	San Francisco	green, orange, pink	Denver	pink	Saint Louis	yellow, white
		40	Players holding a yellow card must take the longest track out of the city they are in.	Raleigh	orange, black, black	Toronto	duck, white, red	San Francisco	green, orange, pink	Denver	pink	Pittsburgh	yellow, white
		41	Players holding a blue card must take the shortest track out of the city they are in.	Raleigh	orange, black, black	Toronto	duck, white, red	San Francisco	green, orange, pink	Denver	pink	Pittsburgh	yellow, white
	F	42	If any player is in a 2-word city, write down the first letter of the second word.	Raleigh	orange, black, black	Toronto	duck, white, red	San Francisco	green, orange, pink	Denver	pink	Pittsburgh	yellow, white

		<p>If you are in a 7-letter city, you must evacuate immediately! Leave your city via the track corresponding to a card in your hand and discard that card. If the city that leads you to ALSO has 7 letters, repeat this step until you are out of the 7-letter threat or have run out of cards.</p>	Nashville	orange, black	Duluth	duck	San Francisco	green, orange, pink	Denver	pink	Pittsburgh	yellow, white
		<p>If three players are now in cities with double letters in the name, stay in your seats but exchange items by passing to the left within the three of you. If two players are now in cities with double letters in the name, switch items</p>	Pittsburgh	orange, black	Duluth	duck	San Francisco	green, orange, pink	Denver	pink	Nashville	yellow, white

			AND seats. If only one player is now in a city with double letters, write down that letter.										
		45	If you have two cards that correspond to a 2-color track leading out of your city, take that track and discard those cards.	Chicago	nothing	Duluth	duck	Portland	orange	Denver	pink	Nashville	yellow, white
		46	If you can take your own color track out of the city you're currently in, do so. If you can't, whine.	Pittsburgh	nothing	Duluth	duck	Portland	orange	Denver	pink	Pittsburgh	yellow, white
	I	47	Which player has the most cards? Whoever that is, write down the Nth letter of the city they are in, where N is their number	Pittsburgh	nothing	Duluth	duck	Portland	orange	Denver	pink	Pittsburgh	yellow, white

			of cards.										
		48	If there is only one grey route leading out of your city (regardless of whether it is single or double track), take it.	Pittsburgh	nothing	Duluth	duck	Seattle	orange	Santa Fe	pink	Pittsburgh	yellow, white
	F	49	Repeat step 42.	Pittsburgh	nothing	Duluth	duck	Seattle	orange	Santa Fe	pink	Pittsburgh	yellow, white
		50	Repeat step 46.	Chicago	nothing	Duluth	duck	Seattle	orange	Oklahoma City	pink	Nashville	yellow, white
		51	If it is possible to take a route out of your city corresponding to any of the cards in your hand, take the shortest track out of the city (NOT necessarily corresponding to a card in your hand) and discard your hand.	Chicago	nothing	Duluth	duck	Seattle	orange	Oklahoma City	pink	Atlanta	nothing
	T	52	Repeat Step 44.	Chicago	nothing	Duluth	duck	Seattle	orange	Oklahoma City	pink	Atlanta	nothing
