CRIME LOCATION: STUDIO 1407

Sweat from your brow: not her problem!

If you fall in, dig out

If you can't agree, nachos

When in doubt, read the tea leaves

If you smash an egg, plan to clean it up

Avoid any cop perimeters

If you stick your finger in the pan, you'll get a hot pinky

Love each other like gladiators in an arena, vying

Go, live in Dubai

Shuttle money back and forth, but don't launder it

Mosquitos near your porch? I'd screen it.

Sting rays hurt!

If it hurts, yell 'ow'!
